EXPLANATORY MEMORANDUM (ACCOMPANYING NOTICE OF GENERAL MEETING)

This Explanatory Memorandum is intended to provide voting Shareholders in the Company with sufficient information to assess the merits of the Resolution. Set out below are the details required by the Corporations Act to be provided to all voting Shareholders of the Company in relation to the Resolution.

1 Background

- 1.1 The Company is an Australian unlisted public company which was incorporated in New South Wales on 13 January 2005.
- 1.2 According to current ASIC records as they stand on or about the date of this Notice:
- (1) the share capital of the Company comprises of 35,373,054 ordinary shares; and
 - (2) the aggregate paid up capital on those ordinary shares is AU\$15,923,081.
- 1.3 On 27 April 2017, the Board unanimously approved an equal reduction of capital by the payment of AU\$0.037 per ordinary share, totalling \$1,308,803(**Capital Reduction**).
- 1.4 The Capital Reduction:
- (1) is only related to ordinary shares; and
 - (2) will be applied to each holder of ordinary shares in proportion to the number of ordinary shares they hold in the Company; and
 - (3) will apply the same terms of reduction for each holder of ordinary shares.

2 Corporations Act

- 2.1 An Australian company may only reduce its share capital in a way not otherwise authorised by law if the reduction (section 256B(1) of the Corporations Act):
- (1) is fair and reasonable to the company's shareholders as a whole; and
 - (2) does not materially prejudice the company's ability to pay its creditors; and
 - (3) is approved by shareholders under section 256C of the Corporations Act.
- 2.2 The reduction is either an equal reduction or a selective reduction. The reduction is an equal reduction if (section 256B(1) of the Corporations Act):
- (1) it relates only to ordinary shares; and
 - (2) it applies to each holder of ordinary shares in proportion to the number of ordinary shares they hold; and
 - (3) the terms of the reduction are the same for each holder of ordinary shares.
- 2.3 The proposed Capital Reduction is an equal reduction.
- 2.4 Under the Corporations Act, the following steps apply in terms of the Capital Reductions:
- (1) they must each meet the requirements of sections 256B(1)(a) and 256B(1)(b) of the Act (see paragraphs 2.1(1) and 2.1(2) above and 3.5 below);

- (2) they must each be approved by a resolution passed at a general meeting of the Company (section 256C(1) of the Corporations Act) and in this regard:
- (a) before the notice of general meeting is sent to shareholders it and its enclosures must first be lodged with ASIC (section 256C(5) of the Corporations Act) (this has occurred);
 - (b) the Company must included in this Notice a statement setting out all information known to the Company that is material to the decision on how to vote on the Resolution (however, is not required to disclose information if it was unreasonable to require the Company to do so because the Company has previously disclosed the information to its Shareholders (section 256C(4) of the Corporations Act);
 - (c) the Company must lodge with ASIC a copy of the Resolution when approved by shareholders within 14 days after it was passed; and
 - (d) from a procedural perspective, the Company should only make the reduction when 14 days after the lodgement referred to paragraph 2.4(2)(c) above have passed) (section 256C(3) of the Corporations Act).

2.5 The Board believes that all information known to the Company that is material to the Shareholders' decision on how to vote on the proposed Resolution is disclosed in this Explanatory Memorandum or has previously been disclosed or is known to the Shareholders.

3 Summary of Capital Reductions

3.1 The funds to be paid by the Company to Shareholders in respect of the Capital Reduction will be wholly funded from the Company's cash at bank (which predominately arose from distributions to the Company during the period 1 September 2017 to 20 November 2017 including capital returns, totalling approximately \$1,248,920 from its underlying private equity investments). The company also holds a further No external borrowings are required to fund the consideration payable by the Company for the Capital Reduction.

3.2 In addition to its own enquiries, the Board has received professional advice that the Capital Reduction is the most appropriate and efficient manner in which to make capital distributions to Shareholders.

3.3 This proposed Capital Reduction will reduce the aggregate paid up capital of the Company from \$15,923,081 to \$14,614,278.

3.4 As a result of the proposed Capital Reduction the Company's net assets will be reduced by \$1,308,803.

3.5 Each member of the Board, having made due enquiries, has satisfied themselves:

- (1) that the proposed Capital Reduction is fair and reasonable to the Company's Shareholders as a whole; and
- (2) as to the solvency of the Company following the completion of the Capital Reductions and the Board is satisfied that the proposed Capital Reduction will not prejudice the ability of the Company to pay its creditors.

3.6 The main advantages for the Company, the Board and Shareholders of approving the Capital Reduction is that:

- (1) the Capital Reduction represents the most appropriate and efficient manner in which to make capital distributions to Shareholders; and
- (2) the Capital Reduction will return to Shareholders, share capital which was in excess of the needs of the Company.

- 3.7 The main disadvantage for the Company, the Board and Shareholders of approving the Capital Reductions is that the Company's net assets and immediate cash resources will be reduced by \$1,308,803. However the company will retain approximately \$582,600 in cash after the proposed Capital Reduction
- 3.8 In the opinion of the Board, other than as set out in this Explanatory Memorandum, completion of the Capital Reductions will not otherwise materially affect the Company's state of affairs and will not materially prejudice the ability of the Company to carry on its existing business in the ordinary course.

4 Prior Notice to ASIC

As required by section 256C(5) of the Corporations Act, copies of the Resolution and this Explanatory Memorandum, as sent to Shareholders, were lodged with ASIC prior to being despatched to Shareholders.
